- You can book from 8.30am onwards for an appointment on the same day.
- We provide early am and late pm appointments.

Latest news and updates

DISCREET CHLAMYDIA SCREENING:

We offer an anonymous Chlamydia testing service. Test results are sent to your mobile phone and if not, sent to you within a two week time frame. You can chase the results up yourself, giving you full control of the process. Please ask our team for more information.

PNEUMOCOCCAL VACCINATION:

We are still offering the pneumococcal vaccine to anyone who falls under the NHS "at-risk" groups. Pneumococcus can cause diseases such as pneumonia, meningitis and blood infections, so please take advantage of this service.

PATIENTS ON WARFARIN:

Due to a new practice protocol, patients on Warfarin are required to bring their yellow book with them every time they request a repeat prescription of their Warfarin. Please note that a prescription will not be done unless we have the yellow book. This is all to ensure your safety and wellbeing.

DNAs (Did not attend)

Please try and be on time for your appointment!

Unfortunately if you are late (more than 10 minutes), you will most likely be asked to rebook for another day.

The doctor may see you at their discretion, depending on circumstance, however we cannot guarantee this. If you cannot make your booked appointment please call to cancel.

Please give at least one hour's notice so that we are able to offer the appointment to another patient.

Practice Clinicians:

Dr Usman Quraishi (Male)
Dr Priya Puvanendran (Female)
Dr Georgia Whyte (Female)
Dr Majeed Musalam (Male)
Pamela Kissoon Nurse (Female)
Laura Naughton Nurse (Female)
Tahsin Ahmed HCA (Female)

WELCOMING Dr Saeed Chaudhury (male), who will be locuming with us for the next 6 months!

Coming Soon!

Online Appointment Booking!

Soon our patients will be able to book appointments online. We will keep you updated with the progress and planned launch date!

UPDATING INFORMATION:

Please don't forget to update your details with us. With a correct mobile number, we can send you a free text, reminding you of the date and time of your appointment.
